Subject: Clarification pertaining to details entered for Break-up of paid-up share capital in Table IV(i)(d) of Form MGT-7

Respected Sir/Ma'am,

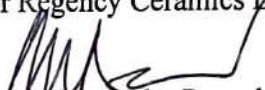

With reference to the subject cited above, we hereby submit the following lines for your kind perusal:

1. That due to a technical error in Form MGT-7, the contents of table no. IV(i)(d) i.e., Break-up of Paid-up Share Capital, are not reflecting the correct figures at the end of the year.
2. That we have downloaded the latest version available on the MCA portal and have filled in all the requisite values. However, the entries in the table are automatically going blank once we complete the Check form and save the Form.
3. That due to the error in the Form we have entered the same values for the number of physical and demat shares at the beginning of the year and at the end of the year.
4. That the actual break of share capital of the Company at the beginning and at the end of the year is as follows:

Particulars	No. of Shares		Total
	Physical	Demat	
At the beginning of the year	36,20,347	2,28,21,239	2,64,41,586
Conversion of physical shares to demat during the year	(749)	749	0
At the end of the year	36,19,598	2,28,21,988	2,64,41,586

In this regard, we request your good office to take the above information on record.
